

combi units

The best, for all.

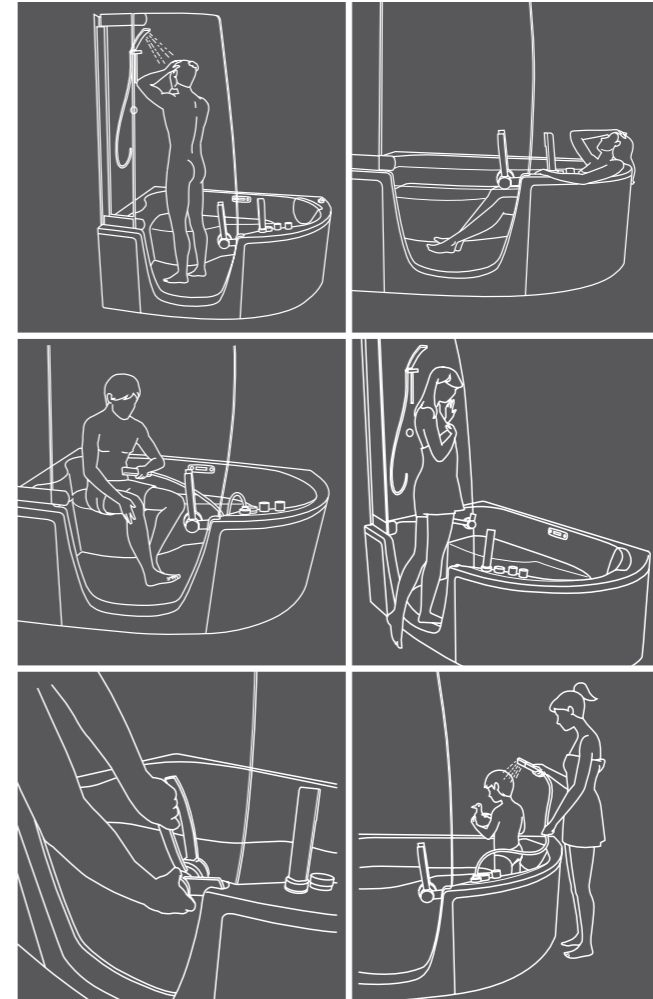

Teuco combi units generously cater to the needs of children, adults and the elderly. Everyone can enjoy them as either a bathtub or a shower as they are easy, safe and comfortable to use, thanks to painstakingly studied ergonomics. Available in several sizes and configurations, they are easy to install in any space. The styling is always in the forefront, thanks also to the possibility of having bespoke panelling.

ADVANTAGES.

Practicality and safety guaranteed by the comfortable seats, the easy access and the ergonomic design. The handle with a mechanical latch prevents the door from being opened accidentally.

383

An ergonomic and comfortable bathtub, thanks also to the easy access through the convenient full-height door, can also be equipped with Hydrosilence to enjoy some well-deserved rest and relaxation at any time. Built-in seat.

173x117 cm

385

The full-height door grants access to a comfortable shower space which affords the utmost freedom of movement. The removable seat transforms this convenient bathtub quickly and simply depending on the momentary requirements. Can be equipped with Hydrosilence.

180x80-86 cm

armonya

Clean-cut and elegant design owing to the single curved panel and the total transparency of glass. Headrest and roomy interior for exclusive comfort. Rain spray shower head.
